# Introduction to HTML

By using basic HTML elements, create interlinked HTML documents based on the screenshots below:

Additional details:

1. Save the page above as **index.html**

2. ABC Restaurant wording must be in **header size 3**.

3. Days wording is **bold**.

4. Time wording is **italic**.

5. Breakfast, Lunch and Dinner wording must be hyperlinked to **breakfast.html**, **lunch.html** and **dinner.html** respectively (see the layout in the next page).

Additional details:

1. ABC Restaurant wording must be in **header size 3**.

2. Breakfast menu wording must be in **header size 2**.

3. Save this page as **breakfast.html**.

4. Repeat the same layout for **lunch.html** and **dinner.html** page as well.
